

WEEK ONE

SECRET AGENTS – SUPER SPY ACADEMY

Train as a top-secret agent by cracking codes, engineering spy gadgets, and solving mysteries. Your problem-solving and critical thinking skills will be put to the test in a final spy challenge where you'll outsmart the ultimate villain.

WEEK TWO

COMIC CONVENTION INVENTIONS

Step into the world of superhero innovation! Write your own comic! Imagine and design future heroes, complete with gadgets and comic book stories. Explore robotics and engineering to bring your superheroes to life, and showcase your creations at the thrilling 'Hero Innovation Expo.'

WEEK THREE

COSMIC CRUSADERS – SPACE HERO ADVENTURES

Transform into a Cosmic Crusader as you journey through the wonders of space science. Design space vehicles, create solar system models, and simulate an epic space rescue mission. Become a protector of the galaxy with hands-on space science adventures!

WEEK FOUR

BEAST BRIGADE – ANIMAL SUPERPOWER QUEST

Discover the amazing superpowers of animals and how they inspire real world inventions. Study animal behavior, build animal-inspired robots, and explore biomimicry. Use your new knowledge to design a solution for an environmental challenge.

WEEK FIVE

DARING DESIGNS & INVENTOR'S LEGO LEAGUE

Harness your creativity to design superhero gadgets, costumes, and high tech fortresses using LEGO and other materials. Explore engineering and design principles to create innovative defenses against villains, then present your inventions in a thrilling 'Inventor's Showcase.'

WEEK SIX

AQUA AVENGERS – UNDERWATER HERO EXPLORERS

Become an Aqua Avenger and dive into underwater exploration, discovering marine ecosystems, oceanography, and underwater technology. Cool off with exciting water activities like water slides, water balloon fights, and relay toss challenges, perfect for summer STEM Heroes.

WEEK SEVEN

SUPERHERO CIRCUS & TALENT SHOWDOWN

Unleash your superhero talents and join the circus! Learn the physics of balance, gravity, and motion while creating circus acts. End the week in a talent showdown where you and your fellow campers will perform amazing feats of coordination and creativity!

WEEK EIGHT

JUSTICE LEAGUE DETECTIVES – CRIME INVESTIGATORS

Step into the shoes of a crime investigator and solve thrilling mysteries in your community! Work together to crack cases, analyze clues, and learn about real-life community heroes who make a difference. From fingerprint analysis to secret codes, each day is packed with hands-on activities.
